

THE CARMICHAEL & SON CO.

OCALA, FLORIDA.

TO THE TRADE.

We have recently purchased the Oldest Whiskey Stand in Florida, and have made it look as neat and new as if only built yesterday, and have put in an immense stock, so we are preparing to do all kinds of bottle business. We also still own and operate our saloon and whiskey house near the S. A. L. depot. Our prices are figured on the very lowest cash basis and under no circumstances will we ship goods C. O. D., as the Express company will only take whiskey at owner's risk and open. The laws will not allow them to ship liquors C. O. D. Express orders, Postoffice money orders and one and two cent stamps will be accepted; also checks on parties we know are O. K. We Buy for Cash and Sell for Cash, thereby giving our customers the benefit accounts. The buildings we operate in belong to us, so we pay no rents, and consequently
